

FLAG DAY CEREMONY ~ JUNE 12, 2016

Sunday, June 12, 2016 was a bright sunny and windy day at our Lodge as the Officers and Massachusetts Maritime Academy Cadets conducted our annual ritual of this important event. Approximately 50 members and guests were there to witness the presentation and history of the flags of our Country. Lodge Esquire Ray Rock, Sr., PER was emcee for the day with Exalted Ruler John (Jay) Wybraniec and Trustee Jim Callan weighing in to complete the presentation.

A Patriotic Address was given by Lt. JG Andrew W. Jeter and added to what the flag means to him. Also in attendance was State Representative Susan Williams Gifford. At the conclusion of the ritual all were invited to join in a cookout at the rear of our Lodge.

Many thanks go out to all involved in both the ritual, set up, breakdown and kitchen crew for the meal.
