VETERANS RECEIVE PAINTING

On *VETERANS DAY* November 11, 2016 Ted & Helen Hatch delivered an original Veterans Painting (shown above) to the VA Spinal Cord Injury Unit at the Brockton Campus of the Boston VA Medical Group. The painting was donated to the Lodge Veterans Committee by David Carson and was one of the items raffled off to aid in funding ongoing Veterans projects. The winner of the painting was Melody Gifford and she asked that we gift it to the Brockton Veterans. Receiving the painting at an annual Veterans Day Event in the gymnasium at the campus were 3 veterans who will enjoy its beauty as it will adorn one of the walls in their day room.
