

## **JOE LABRETTO DONATES HAND CARVED CRIBBAGE BOARD TO MEMBERS OF #73**

Thursday January 26/2017 life member Joe Labretto #353 donated a hand carved cribbage board (photos above) with the Elk on the cover on top of the hidden storage for the cards and pins. Bruce Harrington delivered the board to the Lodge at our weekly meat raffle and Ted Hatch and Bruce announced the donation and placed it on display for all to enjoy. Another examples of Elks Care ~ Elks Share.

Joe has previously made 2 cribbage boards that are now in use at the Brockton Campus of the Boston VA Medical Center in the Spinal Cord Unit and they are so proud of them. He made one 4 player board and one 2 player board and they are used in their competitions both on campus and when they travel.

Thank you Joe for all the members here at home.

Respectfully submitted, Ted Hatch
