Sunday, March 26, 2017 our Lodge hosted the Falmouth Lodge to conduct the annual installation of officers. Our social hour was nothing but superb with appetizers of scallops wrapped in bacon, shrimp cocktail, boneless chicken tenders, Cheese and Crackers with many of these items donated by Lodge member Steve Hunt.

The Grand Suite did an exemplary job discharging the existing officers from the work they have done, thanking them for the dedication to the Lodge and Elksdom. Next task was installing the newly elected and appointed officers for the ensuing year. They were duly sworn in and charged with their duties in their respective positions and reminded to hold and practice the cardinal principals of the order ~ ***Charity; Justice; Brotherly Love and Fidelity.***

At the conclusion of the ceremony a fine Roast Beef Dinner was served by our local Boy Scout Troop, including salad, potato, vegetable and rolls & butter. To top that off was a generous supply of desserts provided by our Emblem Club #99 members and members from our Lodge.

Congratulations to the incoming Officers and may they have a wonderful and successful year in accomplishing the mission and goals of our Order.
