Exalted Ruler John (Jay) Wybraniec will host the Lodge's Annual Appreciation Night on Wednesday March 22, 2017. Mark your calendar and plan on attending. This annual event will provide an opportunity for the outgoing Exalted Ruler to say a few words of thanks to someone in the community as well as those within the Lodge that have gone a little above to promote Elkdom and excelled in their local area.

Once again, please try to attend and if you are planning on enjoying our evening meal please call the lodge to make a reservation so our kitchen crew can have enough for all.

Looking forward to seeing a great turnout,

Respectfully,

John (Jay) Wybraniec , Exalted Ruler
