

# Wareham-New Bedford Lodge of Elks #73 Presented One Dozen Afghans to Disable Veterans

May 5, 2017, Veterans Chairman Mike Ward, Lodge members Joyce Lawson, Helen & Ted Hatch presented 12 lap size afghans to wheel chair bound veterans at the Brockton Campus of the Boston VA Healthcare Group. The afghans hand made and donated by Joyce were a welcome gift to the veterans receiving them. Special thanks go out to Joan Lynch and Lauren who aided us in the delivery process on site.

In addition to the afghans, I was proud to distribute 25 Elks Veterans pins to the veterans on campus.

If you have never visited a VA facility and witnessed some of the sacrifices our Veterans have gone through for our freedom and still have a superb outlook on life, take a moment in your life and do so, it is so rewarding.
