

Wareham-New Bedford Lodge #73 Main Entrance for the Holidays

Tuesday November 29, 2017 a secret lodge member (Maureen Crocker) took the time, effort and resources to update the previous display at the entrance to our Lodge. The original display box was a thank you from the Friends of Wareham Veterans for our participation during this past summer of the 5 day long visit of the Vietnam Moving Wall. It was a beautiful arrangement that lasted until the frost came to join us for the winter season.

Not wanting the entrance to look uncared for, Maureen took time to bring some yuletide beauty for arriving guests to enjoy. Truly an example of what Elks do for Elks Pride ~ Thank you Moe and Merry Christmas to all!!
