May 27, 2018, Wareham Station:

Cooler temperatures and forecasted weather conditions meant for a lower than normal turnout for the annual Cape Flyer hosted free Veterans Memorial Day event. With a projected participation of the somewhere around 600, upon arriving in Wareham from the trip inception at South Station (Boston) and only a couple of stops left there were 195 Veterans on board. Their trip included refreshments and welcoming upon arrival in stops along the route and arrival in Hyannis. Some of the veterans stepped of for a brief moment to capture photos and off they went on their journey.

The Town of Wareham was honored to be able to welcome them to their community as they continued on the trip. From the Town of Wareham Police Honor Guard, Town Selectman Alan Slavin, Bob Powalitis & Mike Ward from the Wareham American Legion Post 220, Ted and Helen Hatch from the Wareham-New Bedford Lodge of Elks #73 as well as members from the community at large, our Town said “THANK YOU FOR YOUR SERVICE”.
