

NEW LODGE MEMBER DONATES PUZZLE PICTURE TO VETERANS

New Lodge member Rob Cappola who has just started with the Veterans Committee took some time out of his busy schedule to make this “Picture Puzzle” which will adorn the walls in the day room at the Brockton Campus of the Boston VA Medical Facility. Rob spent about 16 hours to make the puzzle then cover with puzzle glue and frame it. He then brought it to our weekly meat raffle to display his new gift to the Veterans and obtained many initials of those in attendance in thanks to the veterans for their service.

Friday, July 13, 2018 the Lodge hosted one of our many fish fries that the Veterans attend and Rob and the Veterans Committee presented this to them to bring “home”. When speaking with Rob today, he told me it was one of the most rewarding projects he has done and is in fact going to make a second one for another building on campus for others to enjoy.

Once again emphasizing the motto
