A gracious thank you to our friend Ken Stuart for this contribution coupled with many other images captured on our behalf and supporting our cause and Veterans!!!

This monument dedicated in 2018 and proudly co sponsored by the Wareham-New Bedford Lodge of Elks #73 and many other Lodges and organizations stands guard at the entrance to the National Cemetery located in Bourne Massachusetts. Please share this and if you are passing through the area as you navigate through the newly named "HERO'S CIRCLE" renamed as part of the project, please take a moment to stop and view this majestic piece of future history.
