

THANK YOU ALL

I write today to my fellow officers and the entire Lodge Membership to express my heartfelt thanks for stepping up to keep our Lodge operating during my absence to the National Convention in Tampa. With all of you doing what Elks Do, it makes me and our Lodge proud.

Albeit a little windy and wet, Theresa and I (as did all our Brother/Sister Elks) had a great convention and learned about changes that will benefit our local Lodges and Grand Lodge operations. We were able to visit the Saint Petersburg Lodge and relax poolside for a fun afternoon. I will be delivering a full report at a Lodge meeting and posting those comments in the member's lounge.

Also another big thank you to all of you and to those who are old hats at the Convention and guiding me along the way.

Looking forward to moving forward with the remainder of a new year with all our new changes in society.

Yours in Elkdom,

Steve Hunt, Exalted Ruler
