Post Office Box 566
East Wareham, MA 02538

TO: ALL MEMBERS & GUESTS
FR: EXALTED RULER STEVE HUNT
DA: DECEMBER 5, 2021
RE: HEALTH ADVISORY

Due to the recent upsurge in local and national increases in the Covid 19 and related strains, it is extremely important that if you feel ill in ANY WAY, please refrain from visiting the Lodge or others to insure that you won't be infecting them. Even if you are experiencing just the common cold or flu, it is best that we act on the side of caution to help prevent any major issues for our members or the Lodge. ***We at our Lodge have had some members test positive for the virus and need everyone to please be honest and vigilant to help everyone.*** If you have any concerns or are not feeling well, please get tested!!

There have been other local organizations that have had members testing positive and had closed their facilities for a period of time for deep cleaning, etc. ***We continue to fog our facility regularly to help insure that the germ doesn't get the chance to cause a problem.***

Please share this information with others, especially if you know they aren't on any social media platforms.

Respectfully,

Steven Hunt, Exalted Ruler
